

25th April 2015.

Dear Parents/Carers,

We have been invited to take 5 pupils along to the Barney and Echo Internet Safety Roadshow being held at Goodison Park tomorrow, and your child has been selected to attend.

We will leave school straight after registration to be there for a 9.30am start. Pupils will need to wear their school uniform as usual, and will need to bring with them a morning snack and a packed lunch.

There will be photographs taken on the day to be used in social media and the press, but usually only of the backs of heads. However, there may be some taken of competition winners or with the mascots which will be taken face on.

We will be back at school for normal home-time.

Thank you.

Mrs. Johnston.
Class 5 Teacher.
