

14th June 2016.

Dear Parents/Carers,

As you will be aware, you currently receive free school meals for your child as part of a Government initiative for all children in the Infant classes. As your child will be moving into the Junior department in September, you will be expected to pay £9.00 each week for your child's school meals unless you have applied for and been awarded free school meals from Liverpool City Council. To qualify for free meals you must meet certain criteria - please use the following link to check and apply.

<http://liverpool.gov.uk/schools-and-learning/grants-and-funding/free-school-meals/>

Please apply now as it may take the council some time to process your application. If your child's name is not on the list we receive weekly from the council you will be charged for meals from the first day back in September.

It is really important to the school that families claim free school meals. This has a huge impact on our school budget, which is what pays for upkeep of the school building and all of the resources your children receive. If you need any further information then please speak to us in the school office.

Thank you.

Mr. N. Verdin.
Head Teacher.
