

20th June 2017.

Dear Parents/Carers,

I am sure that you have all been shocked and saddened by the news last week of the fire which destroyed the block of flats called Grenfell Tower in London.

A lot of schools have chosen to take part in a charity event called 'Go Green for Grenfell' this Friday to help raise funds for the official charity to give help to the people who have lost their homes and possessions.

All children may come to school this Friday wearing something green, in exchange for £1.00 each. We hope to raise as much money as possible to send off to the charity.

Thank you once again for your support,

Mr. Verdin.
Head Teacher.
