*'Pleasant Street Primary School pledges itself to be a place where uniqueness is celebrated and all individuals will find safety and respect for themselves and their families and their way of life.'*

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals we employ, or otherwise engage, to work at our school.

We, Pleasant Street Primary School, are the 'data controller' for the purposes of data protection law.

Our data protection officer is **Chris Walsh** (see 'Contact us' below).

### **Why we use this data**

The purpose of processing this data is to help us run the school, including to:

- Facilitate safe recruitment, as part of our safeguarding obligations towards pupils
- Support effective performance management
- Inform our recruitment and retention policies

### **Our lawful basis for using this data**

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Fulfil a contract we have entered into with you
- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else's interests)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the school's use of your data.

### **Collecting this information**

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

### **How we store this data**

Personal data is stored in line with our Data Protection Policy.

We create and maintain an employment file for each staff member. The information contained in this file is kept secure and is only used for purposes directly relevant to your employment.

Once your employment with us has ended, we will retain this file and delete the information in it in accordance with our statutory regulations. We will keep data no longer than necessary.

*A request for access to personal information retained should in the first instance be sent to the school's email account for the attention of the Headteacher.*
