

Pleasant Street School PE and School Sport Funding 2021-22

The Government is determined to secure a significant and lasting legacy of lifelong physically active citizens, through funding schools to develop opportunities for physical activity and sport. In order to achieve this and improve the provision of PE and sport in primary schools, additional funding of £150 million per annum has been made available since 2013.

In our school this amounts to £17710 tbc for 2021-22 (The school have received a payment of £7379 and will receive a further payment of £10331).

School Context:

Pleasant Street is a diverse, single form entry community primary school - that includes a speech and language unit, of average size, in the heart of inner city Liverpool. The school provides a secure, stimulating and enriched environment where pupils develop positive personal qualities, social awareness and understanding.

The school promotes independence, self-esteem, academic achievement and a desire to learn. It is a place where children of all races and religions find safety and respect for themselves, their families and their traditions. The school is inclusive providing for the needs of all pupils regardless of ability, gender or background.

“Pupils participate in wide variety of extra-curricular opportunities, including clubs, visits and residential visits (including the opportunity to visit Barcelona).”

Ofsted, June 2017

	% of pupils eligible for FSM	% of pupils with EAL	% of pupils from minority ethnic groups	% of pupils with SEN Support	School deprivation indicator
School	32	73	91	18	0.37
National	23	21	34	12	0.21

‘IDSR’ Release Date June 2021

Mobility:

The proportion of pupils joining or leaving the school other than at the beginning of the school year is significantly above average. There are also a significant number of pupils who join the school for a short stay period or return to home countries on a regular basis.

	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
New to school during current Key Stage	26% of pupils	7 % of pupils	40% of pupils	16% of pupils	17 % of pupils	27% of pupils	32% of pupils

Data calculated April 2021

How our allocation will be spent during the 2021-22 Academic Year...

At Pleasant Street School we believe that sport makes an important contribution to the health and well-being of our children. Sporting excellence and participation, alongside strong cultural opportunities, go hand in hand with high academic standards. We have used the Sport Funding to continue with the purchase the enhanced membership of the Liverpool Schools Sports Partnership, which alongside our own school actions has enabled us to continually strengthen and improve our provision in the following ways:

Proposed School Sport Funding Spending Plan 2021/22:				
Aim/Proposal:	Cost:	Nature of Support:	Success Criteria:	Impact: (July 2022)
Confident and skilled school staff, with strong subject knowledge in Physical Education.	£6780	Curriculum Learning and CPD.	Effective team-teaching led by a subject specialist. Excellent adult / pupil ratios within lessons to allow for intricate skill development. Challenging lessons that enthuse pupils.	
Incorporate Yoga sessions into the school curriculum.	£2536	Curriculum Learning and CPD.	Specialist to deliver yoga sessions throughout the year to all age groups. Pupils displaying enhanced mindfulness and flexibility. Developing teacher confidence and understanding.

Replenish and maintain quality equipment on the school playground	£1500	Enrichment beyond the Curriculum.	Active lifestyle for children on school playground. High standards of pupil behavior and physical interaction.	
Total Cost:	£19016			

- School budget for PE to provide the additional funding needed.

A wide range of activities are delivered in school, which aim to engage and inspire all children. We are also committed to ensure that children receive 2 hours per week of high quality well-planned opportunities for physical activity (including residential, themed sports days and daily fitness sessions). Over the year each child will participate in games, athletics, dance, gymnastics and swimming lessons.

Opportunities are also planned for swimming in Years 3/4/5/6 and Outdoor and Adventurous activities in Years 2/3/4/5/6. Our aim is that all children leave our school at the end of Year 6 able to swim 25 metres. Please refer to the curriculum/year group pages of the website for more details of PE lessons taught each term.

The Wider Curriculum, PE and sport continues to have a high profile in our school and permeates many aspects of school life. Throughout the year we hold theme days where children participate in a wide range of activities and have taster sessions of a sport or activity that otherwise they may never have tried. We also offer extra opportunities for sporting activities such as multi-sports, water sports and climbing activities.

During our residential visits, children are given opportunity to participate in many different activities which may include orienteering, assault courses, abseiling, climbing, archery and mountain biking. In the summer term, we also hold our annual Sports Day at a local cricket club in which we encourage participation of all children and organise competitive races for our more sporting youngsters. Other agencies are used to enhance the variety of activities available and we take full advantage when these opportunities become available. For example, Everton and Liverpool

football clubs, LJM University, Liverpool School Sports Partnership, Beth Tweddle Gymnastics and Target Football run training sessions /competitions for our pupils. Talented children are signposted to local clubs and events to encourage them to develop their skills.

The school is keen to provide a wide range of extra-curricular clubs for children throughout the year which are organised by our teaching staff and/or sports coaches. Children enjoy the opportunity to work with different teachers and have the chance to try many sports such as Badminton, Golf, Tennis, Football, Multi-skills, Hockey, Cricket, Rounders, Athletics and Cross-Country as part of clubs or taster sessions.

We try to cater for all our children's needs and so ask the children which clubs they would like to see included during the year; we also monitor participation and check uptake against gender and free school meals.

We enter a wide range of competitions during which the children enjoy competing against each other and other schools as well as improving their own personal performance.

Primary school experiences are pivotal to the children's future perception of physical activity and we believe that children leave our school equipped to enjoy sport for all its health and social benefits. For those who relish the competitive element, they gain the skills, confidence and relevant experience to succeed at their chosen level and discipline.
