There are 5 stages in Reception. In each stage, there are 10 books. Stories in stages 1, 2, 3, 3.1 and 3.2 are matched to the phonics taught in Reception. Here is a [parent guide](#) to help you start reading Monster Phonics books.

4. This will then list all the books on that stage, and you can click on the book your teacher has told you to look at that week either by clicking on the actual book or view button.

The screenshot shows a navigation menu on the left with 'Reception - Stages 1-3' selected. The main content area is titled 'Stage 1' and lists three books: 'Book 1' (Tap, tap), 'Book 2' (A pit), and 'Book 3' (A pin, a pen, a tin). Each book has a 'View' button. A large red arrow points to the 'View' button for 'Book 2'.

5. The book you have selected will then open, just use the arrow keys to turn the page, and the 3 dots and choose full screen if you want to make it bigger.

The screenshot shows the 'Book 2' viewer interface. The book cover for 'A pit' is displayed in the center. Below the cover is a navigation bar with a left arrow, '1/20', a right arrow, a full screen icon, a search icon, and a three-dot menu icon. Two red arrows point to the left and right arrow icons in the navigation bar.
