

Wellcomm: Section 4

Your child has been screened using the Wellcomm screening tool. The results show that they need support with their communication in the following areas. We understand that they may be doing some of these things at home already but they are not yet demonstrating these skills at school.

We will be working on these areas in class and would appreciate your support. If you can, please work on the areas that are highlighted at home when playing and talking with your child.

We will be rescreening your child in 12 weeks.

- Remembering 2 items correctly
- Understand the word 'broken'
- Understand the negative 'no' e.g. 'no shoes on'
- Playing imaginatively
- Following 3-word instructions
- Putting 2 words together
- Using the word 'in'
- Use words ending in '-ing' e.g. playing
- Using 'I' to refer to themselves
- Using the word 'big' to refer to things

If you have any questions or need help with how to work on these areas, please let us know as we are happy to help.
