

Wellcomm: Section 6

Your child has been screened using the Wellcomm screening tool. The results show that they need support with their communication in the following areas. We understand that they may be doing some of these things at home already but they are not yet demonstrating these skills at school.

We will be working on these areas in class and would appreciate your support. If you can, please work on the areas that are highlighted at home when playing and talking with your child.

We will be rescreening your child in 12 weeks.

- Understanding 'he' and 'she'
- Understanding 'in front' and 'behind'
- Understanding 'isn't'
- Understanding what we 'hear', 'see' and 'smell' with
- Sharing toys when playing
- Putting 3 to 5 five words together
- Using the regular past tense 'ed'
- Answering 'what burns/flies'?
- Answering a 'why' question, for example, 'Why is the Gruffalo scared?'
- Repeating a 3 word phrase back to you

If you have any questions or need help with how to work on these areas, please let us know as we are happy to help.
